

UPCOMING PRESENTATIONS

Dance Movement Therapy

Thursday October 22, 2009

12:00pm-1:30pm

Presenter: Kyla Gilmore, MA

Kyla completed her Master of Arts Degree in Dance/Movement Therapy and Counseling from Columbia College Chicago. Kyla has worked in residential and inpatient hospital settings utilizing her clinical and dance movement attributes. Kyla is currently working towards her LCPC and ADTR. Kyla is a dynamic and interactive presenter that you do not want to miss!

Healthy Boundaries

Thursday November 12, 2009

8:00am-9:30am

Presenter: Todd Bergmann, PsyD.

This presentation will incorporate the concepts of a family systems therapy approach. Discussions will focus on identifying, understanding and working with issues related to the physical, social, and emotional boundaries, while providing information for parents, guardians, and other care givers to assist with safe and successful treatment transitions.

11/26/09: Have a Happy Thanksgiving!

Internet Safety for Children and Adolescents

Thursday December 10, 2009

12:00pm-1:30pm

Presenter: Detective Russell Klug

Detective Klug is part of the Franklin Park Police Department. He has extensive experience working with internet crime as well crimes involving texting and other forms of technology.
